

GasNeutral certificate

ENGIE confirms the delivery of GasNeutral to:

CIREX FINISHING SK

Congratulations on receiving your official GasNeutral certificate from ENGIE. You have made a good and conscious choice by offsetting your gas. We are proud that together we are now taking the step towards a CO₂-neutral world.

With gasNeutral Gold Standard your CO₂ emissions are compensated by investing in Verified Emission Reduction units (VER's). This helps you to neutralise the harmful effects of your gas consumption.

Delivery period:

GasNeutral from ENGIE

ENGIE works with businesses and consumers to create a sustainable world. Thank you for choosing gasNeutral Gold Standard from ENGIE. This means you are making a positive contribution to people, the environment and society.

Your positive contribution to the climate

Well done! Your company prevents a lot of air pollution annually. Under the former situation we would have had to plant 1778 trees to compensate for your CO₂ emissions.
